

INFORMATION TECHNOLOGY, BA/MBA ACCELERATED PROGRAM

To enable high-achieving and motivated students to earn a bachelor's degree in Information Technology and a graduate degree in Business Administration in five years, we offer a combined accelerated program. Students in the accelerated program can start to take graduate courses in the senior year and finish both their undergraduate degree in Information Technology and a graduate degree in Business Administration in five years.

Requirements page:

- Major in Information Technology (<https://catalog.roosevelt.edu/undergraduate/health-science/information-technology-ba/>)
- Completion of 60 credit hours of undergraduate course work
- Have and maintain a minimum grade point average of 3.0
- Obtain permission from the MBA director to take the required MBA courses
- As part of their undergraduate degree, students must take a minimum of their last 30 credit hours at Roosevelt University or complete a minimum of 60 hours in-residence at Roosevelt University excluding the number hours in the exception request
- Upon completion of the Information Technology BA, apply to the MBA program under the normal admission process (<https://catalog.roosevelt.edu/graduate/business/>).

The student will take the following three MBA graduate courses as part of the Information Technology BA. All of the courses will receive credit toward the MBA degree once the student is admitted to the MBA program. These courses will count as major electives for the BA degree.

Your degree map is a general guide suggesting courses to complete each term on the academic pathway to your degree. It is based on the most current scheduling information from your academic program. Your program's degree map is reviewed annually and updated as schedules change (although you retain the same course requirements as long as you are continuously enrolled in your degree program).

Always work closely with your academic advisor to understand curriculum requirements and scheduling, as each student's academic plan can look slightly different.
