

INFORMATION TECHNOLOGY, MINOR

The IT minor contains courses which complement nearly any degree. Students who desire technology courses to enhance their appeal to employers should consider an IT minor. The IT minor is open to students with majors outside of the Computer Science Department.

Standards

All CST courses must be passed with a grade of C- or higher.

Requirements

Five courses in CST are required. At least three of these must be taken at Roosevelt.

Students must maintain a 2.0 GPA in the major, and must earn grades of C- or higher in all major coursework. Some CST courses have mathematics prerequisites.

Code	Title	Credit Hours
