

# AFRICAN AMERICAN STUDIES, MINOR

<sup>1</sup> Students also have the option of completing the Drake Fellows minor by completing a 6<sup>th</sup> course chosen with a Drake Faculty member.

There are two options for a minor in African American Studies - AFS minor and Drake Fellows minor, both of which will help students gain an interdisciplinary understanding on past and present social, economic, and political conditions of Africans and people of African descent, and to connect their struggles for social and economic justice with those of disenfranchised peoples throughout the world. Both minor options are open to students across colleges, and many of the courses will also count toward general education and non-western requirements.

The minor requires 5 courses in African and African American Studies, including 3 core courses and 2 electives. At least 3 courses must be taken at Roosevelt, of which 2 courses must be at the 300 Level.

Students also have the option of completing the Drake Fellows minor by completing a 6<sup>th</sup> course chosen in conjunction with a St. Clair Drake Affiliated Faculty member. At least 4 courses must be taken at Roosevelt, of which at least 3 must be at the 300 Level. In addition to the required number of hours, Drake Fellow Minors are required to participate in Drake Center events and activities. Drake Fellows will also have the opportunity to work closely with Drake Center Affiliated Faculty on research projects in which the faculty is involved as well as their own research interests.

The St. Clair Drake Center is involved in a range of interdisciplinary courses that can be used as electives to fulfill the requirements for the minor in African and African-American Studies.

A grade of C- or higher is required in all courses with an overall GPA of 2.0.
