

# MUSICAL THEATRE - DANCE, BFA

The BFA in Musical Theatre Dance is a pre-professional degree program designed to develop a strong foundation in the skills required for a career as a musical theatre performer, with particular focus on the discipline of dance. One of the most distinctive programs in the country, this curricula has been developed over time by renowned dancers such former Joffrey Ballet principal Luis Perez and Tony-nominee Jane Lanier to be a training ground for the actor-athlete. Students receive a unique blend of training in acting, voice and intensive dance studies in Ballet, Jazz, Modern, Tap and Musical Theatre Dance styles. Your degree map is a general guide suggesting courses to complete each term on the academic pathway to your degree. It is based on the most current scheduling information from your academic program. Your program's degree map is reviewed annually and updated as schedules change (although you retain the same course requirements as long as you are continuously enrolled in your degree program).

Always work closely with your academic advisor to understand curriculum requirements and scheduling, as each student's academic plan can look slightly different.
